

Local Lodge 700 2013

Negotiations Preparations

The Local is still looking for fire wood. If you have wood you would like to donate, please call the Union Hall and leave your name and phone number. Ron Achille, Ron Frost and Scott Czarnota will return your call to make arrangements to pick it up. Thank you.

Are You Prepared?

As time goes by, are you prepared for a strike? You should have money put aside to cover your bills for a month and contact your mortgage lender. Also prepay for oil or electricity to heat your home. Stock up on food items and paper goods. Be Prepared!

Day 4 of Negotiations

The Union and the company are now entering day 4 of negotiations. We will be taking a wait and see attitude to find out what else the company has up their sleeve. So far negotiations have not gone well.

Please be sure to check our web site or face book page for updates as they become available. We will be doing our best to keep you informed.

Please see the bottom of this flyer for web site addresses.

Local Lodge 700 2013

Negotiations Preparations

Great Turnout!

Your Negotiating Committee and the Officers of Local Lodge 700 are very proud of the turnout on Friday for the Strike Authorization Vote.

Brothers and Sisters, 98% of you voted to authorize a strike vote should it be necessary. The vote of confidence for your negotiating committee is appreciated!

Now we need to continue to support the Negotiating Committee and prepare for the December 8th vote. The committee has a couple of dates to go this month before we enter the final week of negotiations in December.

If you are interested in riding the bus to the ratification vote on December 8th, please call the Union Hall at 860-345-2098, Monday through Friday, 8:00 A.M. until 4:00 P.M. The cut off date to register for the buses will be December 4, 2013.

We will keep you up to date as we receive information into the Local Lodge. We are also updating our web site and our face book page as information comes in to us.

Thank You!
