Negotiations Preparations

Rallies

Hats off to you!! The membership has done a fantastic job of keeping the pressure on and showing your support for your negotiating committee and for each other! We couldn't be prouder of you! You have maintained **unity** and it is so impressive to see this.

We have a week and a half to go before the contract vote. Keep up the pressure!

The Local Lodge has buses reserved to take you to the Oakdale. To date we have only twenty-one members signed up. If we receive no more phone calls by December 4, 2013, we will have to cancel the second bus. This will mean the first bus will leave the Union Hall no later than 8:30 A.M. If you do not get to the Hall by this time, you will miss out. Please call the Union Hall between 8 A.M. and 4:00 P.M. if you wish to sign up at 860-345-2098.

Thank you!

Preparations

We have collected wood, have our picket captains list and time for picketing. The final list will come out next Tuesday. We are ready to rock and roll. The trailer is set for the strike line and our committees are in place. The rest is up to you on December 8th.

Your negotiating committee is meeting this date with the company. As updates are available, we will get flyers out to you either from the Local or District 26.

Negotiations Preparations

Food Collection at the Contract Vote

In conjunction with East Hartford Local Lodge 1746, we will be holding a canned food drive at the Contract Vote on Sunday, December 8th. A trailer will be parked out in front of the Oakdale. As you go into the theater, please drop off your canned food items. We are hoping we will have a very substantial donation to make to our local food pantries. If we have a strike vote taken, we may need the services of our food pantries to help see us through. Please bring only canned items, no glass jars, and make sure the dates on the items are good.

We are also looking for volunteers to help stand by the trailer for a while to help as our members drop off their canned items. If you would be interested in helping, please call the Union Hall at 860-345-2098.

We know this is asking a lot from you, but in these uncertain times, we need to help in our communities. The need is greater than ever before. Thank you!
