Due to some departments having only one or two members or departments with very large numbers we have had to go by the last names for picket assignments to ensure the lines are manned by enough members on all shifts.

**This is how the breakdown works:**

Where your last name falls within the letters under the picket captains names this indicates your picket duty assignments (**Baronowski** 5AM-9AM Monday) (**Dickes** 5AM-9AM Saturday).

Other arrangements can be made on a case by case basis for members with medical or family issues. Please stop down the Union Hall before the start of your regularly scheduled picket time to discuss this with an officer of the local.

All Picket Captains: If a strike vote is approved, and we are on strike please come to the Union Hall for a short briefing on your duties at 7:00pm on December 4<sup>th</sup>.

*If we go out on strike the picket line will go up at 12:01AM on December 5<sup>th</sup>.  
Thank You From Your Friendly Neighborhood Strike Preparation Committee.*
