 - <http://www.hse.gov.uk/involvement/hsrepresentatives.htm>

Internet Resources for Job Safety and Health

- **Stay Away from Behavioral Based Safety.** BBS programs sound great for employees but fall short, on reducing the hazards. What they do is make the employee work around the hazards instead of engineering them out. Contact your union leadership on the position they have on BBS.
 - <http://www.aflcio.org/issues/safety/issues/upload/factsheet1.pdf>
- **CBIA of Connecticut** is a web site to keep an eye on. The CBIA is anti-union pro-business web site. This web site will help you see they way managements thinks how health and safety should be regulated.
 - <http://www.cbia.com/HR/SafetyAndHealth/default.htm>
- **Commercial sites manly sell products.** Info on products, EH&S news that is more management friendly
 - Safety news alert
 - <http://www.safetynewsalert.com/>
 - Occupational Health and Safety
 - http://ohs.hotims.com/r5/search.asp?action=search&return_by_category=y
 - Workplace HR and Safety
 - <http://www.workplacemagazine.com/>
 - Lion Technology
 - <http://www.lion.com/> sign up for news alerts
- **Pratt & Whitney note some of these site are internal Pratt & Whitney/UTC access only**
 - Global EH&S web site
 - <http://pwww.eh.pweh.com/ehs/index.html>
 - All Pratt Sites
 - <http://pwww.eh.pweh.com/ehs/glance.html>
 - Regulations and Standards
 - <http://pwww.eh.pweh.com/ehs/regulations.html>
 - Green initiatives
 - http://pwww.eh.pweh.com/ehs/green_initiatives.html
 - Pratt & Whitney best practices Center
 - http://pwww.eh.pweh.com/ehs/catalyst/search_catalyst2.htm
 - Middletown EH&S procedures
 - <http://pwww.eh.pweh.com/ehs/pwsites/md/index.htm>
 - UTC
 - <http://ehs.corphq.utc.com/>
 - Pratt & Whitney contractor program
 - <https://gadgets-23.pw.utc.com/ehs/Material/ContractorEHS/ContractorEHS.html>

We as union or safety activist should always be looking at all sources of EH&S information. Especially how non-worker friendly groups believe our health and safety should be managed. These types of groups usually follow the minimum in the standards or play word games with the intent. Looking out for business not workers. Some of the sites come under that description so reader be ware.
