WHY is it important to VOTE on April 1st?

We refer to this as the **“YES VOTE”**. Why, because if we don’t vote yes then a potential Strike would not be “sanctioned” by the International and we would not be eligible for Strike Benefits! **So, go out and VOTE YES on April 1st**. This vote will be held at the Old Haddam Elementary School. See above for directions or scan the QR code. Everyone who shows up will receive a free T-Shirt and other tokens of appreciation from your Negotiating Committee. **Do not miss this important vote!!** During this critical time, we can never do too much to secure a strong contract; we can only do too little!
