Due to some departments having only one or two members or departments with very large numbers we have had to go by the last names for picket assignments to ensure the lines are manned by enough members.

This is how the breakdown works:

Where your last name falls within the letters under the picket captains' names indicates your picket duty assignments (**Checko** 1AM-5AM Wednesday) (**Goodale** 5AM-9AM Sunday). For the 2nd part of the week your hours will change; picket duty assignments (**Checko** 1PM-5PM Wednesday) (**Goodale** 5PM-9PM Wednesday).

Other arrangements can be made on a case-by-case basis for members with medical or family issues. Please stop down the Union Hall before the start of your regularly scheduled picket time to discuss this with an officer or E-Board member of the local.

There will be two picket captains assigned per four-hour shift, if a problem arises, please direct your concerns to one of them and they will address it in a timely manner.

We ask that you conduct yourself in a professional manner on the strike line.

If we go out on strike the picket line will go up at 12:01 on May 2nd
