

# SOLIDARITY RALLY

On Friday, January 3<sup>rd</sup>, Local 700 and Local 1746 will be holding a Solidarity Rally at the Middletown Plant. The purpose of this rally is to express to the company our anger over their idiotic decision to force us to take unpaid “furlough days”. What to expect:

- The rally will begin at 12:30 PM.
- Hamburgers and Hot Dogs will be served.
- At 1:00, we will be introducing your elected Negotiating teams from East Hartford and Middletown.
- We will discuss our going forward plan as we head into negotiations with Pratt and Whitney.
- The committee will be there to listen and to address your most important issues and concerns as we prepare for negotiations.
- We will be gathering to demonstrate to the company that we are united and focused on negotiating a strong contract in May. We need a contract that we can all be proud of.
- We will not be taking a back seat to anyone in RTX in wages or retirement security.
- The company currently has over \$100 Billion in back orders. Yet, they believe that this is a good time to lock us out?
- Pratt should be careful of what they wish for! Come May 2025, if we are unable to achieve our goals, then January 3<sup>rd</sup> will go down as training day!!
